

Space is only one consideration in posting this information. The place for commentary is in the survey question responses and on your web site. The parts of your line items below highlighted in blue below are outside of the scope and intent of this category and will be omitted. For all candidates, we try to format this data as uniformly as possible leading with the organization/effort followed by your roll as mentioned in my earlier email. It's meant to be limited. By posting your website, the League provides viewers with an additional reference.

I hope you understand. Thank you, Raechel

Ms. Garafalo;

Let's try this:

Opposing Greenlight Pinellas - met great people & created www.greenlightpinellasfacts.com
Advocating against the sale of our water well fields - sent e-mail to 60,000 people. Great response.
Advocating for Michael Morgan's release from prison - see www.michaelmorganstory.com
Assisted candidates of all parties running for office - learned a lot and met good people.
Provided free housing, interest-free loans, resume assistance during the 2008 recession.

I checked - each fits on one line.

Thank you.

Dear Candidate Rask,

Thanks for re-sending your questionnaire in Word. We will now be able to post your Survey responses as you have submitted them.

I do want to let you know that the League will not be able to publish the expanded remarks you associated with the 5 public service organizations/endeavors you listed on the Personal information page of the questionnaire. We're basically limited to briefly listing the name of the organization/endeavor and your roll/position in it (e.g. present, chairperson, creator, etc.). The League publishes candidates' websites so that voters may visit them for more information.

Please let me know as soon as possible (no later than tomorrow afternoon) if the list below is an accurate, condensed representation of the items you included in your questionnaire. Otherwise, they will be published as posted below. Feel free to call me if you have any questions.

Created www.greenlightpinellasfacts.com - opposing the Greenlight Pinellas Plan
Initiated Email campaign - advocating against the proposed sale of water well fields in Pasco Co.
Created www.michaelmorganstory.com - advocating for Michael Morgan's release from prison
Assisted Democratic and Republican candidates running for office
Provided free housing, interest-free loans, resume assistance during the 2008 recession
The League appreciates your understanding.

Respectfully,

Raechel S. Garafalo

Dear Candidate Rask,
We appreciate your timely return of the questionnaire. Unfortunately, I am unable to use it in PDF form. Would you please send it as a Word document attachment (preferably by inserting your responses into the League questionnaire provided - attached).

Ms. Garafalo,

I have attached it in a Word format.
